How your gift can help

Build our team

Your gift can help us maintain and increase staff hours to offer more training, support and resources to our movement. There's so much we'd love to be able to do!

Fund new projects

Your gift will help us to create projects we have in the pipeline, including podcasts, short training videos, more baptism resources, 'public church' resources and more

Keep us focused

Your gift helps us streamline our fundraising efforts, freeing up time so we can work on the resources, training and encouragement that will serve you and your church best
