

## Everything You Need to Know (Except the Answers)

### Entry Cost and How to Pay

There's nothing to pay upfront. At the end of the night, there'll be an opportunity to donate. Suggested donation starts at \$10ea but it may go up and down a bit along the way!

### What You'll Need

- A laptop (or other computer) that can join a Zoom meeting of up to 2hrs.
- A second device (or monitor) for entering your answers. A smartphone is fine.
- Drinks and snacks, pen & paper helps. Oh, and hopefully some people.

### Who to Invite

- Anyone, really! Most questions won't require Bible/church knowledge, so invite non-church friends – if they'll be comfortable enough with the event being a fundraiser for Crossover.
- Kids are welcome, but there won't be child-focused questions.

### How it Will Work on the Night

1. On **both** devices (e.g. laptop & smartphone), go to [crossover.org.au/quiz](https://crossover.org.au/quiz) and hit 'Go to Quiz'.
2. On your **laptop** (or other Zoom Device), hit the 'Go to Quiz on Zoom' button.
3. Once in, open the Chat side-bar. Change your Zoom 'Name' to the name of your church.
4. On your **other device**, ignore the Zoom button, and fill in your team details.
5. You'll then be taken to a form ready for your Round 1 answers.
6. Your answers will be marked by a computer, so *try* to spell correctly. But don't worry about it, or case sensitivity, or whether 'Summertime' is one word or two, etc. Our bots are smart!
7. At the end of each round, when you hit 'Submit', you'll instantly get your results for the round and your score and rank. You'll also see the next round's answer-form ready to go.
8. There'll be a Leaderboard on the Zoom screen showing the top 10 churches, and the State Association table. (If you're not in the top 10, you'll see your score & rank on your device.)
9. If your Zoom call drops out, just re-enter as above. See the Chat for any questions missed.

### Large Groups and Multiple Teams

- A church can have more than one team. Teams will see their own individual score, but **the church's official score will be average of them**. Each team must use the **same church name**.
- You could even have multiple tables in the same room with a large screen, sharing the Zoom connection, but each table entering its answers on their own device.
