

Crossover Easter Offering 2016

Crossover is the agent of the Baptist movement in Australia which equips the church to creatively share the good news of Jesus, as it demonstrates Christ's love in the community. Baptist Churches across Australia take up a special offering at Easter for the work of evangelism in our nation. With your support Crossover can continue to partner with local Baptist Churches to bring hope and freedom through the message of Jesus for hundreds of thousands of Australians who desperately need it. Our church will be collecting a special offering for Crossover during the service on Good Friday!
