Helping Australian Baptists Share Jesus

**Easter
Offering**

2018

Help share the *good news* of Jesus in Australia

This Easter, you can help share the good news by supporting Crossover. Crossover equips Baptist Churches to **CREATIVELY COMMUNICATE THE GOSPEL** in their local context through resources, mentoring, gatherings and events.

Crossover equips pastors, leaders and congregations to facilitate mission in both word and deed.

Please join with hundreds of Baptist Churches across Australia and take up this special Easter offering to support evangelism in our nation.

Together we can bring the hope and freedom of Jesus to our friends and neighbours who desperately need it.

Crossover in Action

- Emerging Evangelists Conference
- Church planting events and support
- PRAC Magazine for church leaders
- Outreach resources for Christmas & Easter
- Scholarships for key missional leadership
- New media resources and missional dialogue, including Your Story and the Surprise the World toolbox
- Webinars

Four ways Crossover helps Australian Baptists:

A broker:

Matching the best ideas, tools and user-friendly resources in evangelism with Churches keen to reach their neighbours.

A mirror:

Reflecting back to the church how we're doing and highlighting the trends in our culture that offer opportunities for presenting Jesus' good news.

A table:

Bringing specialist expertise and strategic missional thinkers together to "spark" new ideas for reaching our nation for Christ.

A toolbox:

Producing low cost evangelistic resources that provoke spiritual exploration and enable gospel-sharing dialogue.

Your continued support through the Crossover Easter Offering helps put "tools in the hands and ideas in the heads of the members of our local Baptist Churches" and helps Australian Baptists share Jesus. Thank you for your partnership.
